PLAINTIFF'S OBJECTION TO DEFENDANT'S REPLY

On August 20, 2019, Defendant submitted in reply to Plaintiff's Response to their Motion to revoke his appearance Pro Hac Vice, a Declaration and series of Exhibits. (Dkt # 98, 98-1). Exhibit A consists of what is purported to be excerpts from the deposition of Ryan Hart that occurred on August 16, 2019. It is unauthenticated hearsay, which is admitted on the face of the document. The remainder consists of website advertisements for some of the attorneys associated with Defendant's firm. They are entirely irrelevant to Defendant's reply. It should also be noted that Defendant's attorney, Leonard Aragon, did not attach any of the purported emails that he sent to Plaintiff's counsel, Attorney Timothy McIlwain as exhibits., that he refers to in his Declaration. The admission of these exhibits would violate Rules 401,402 & 403, 801, 802, 901 & 902of the Federal Rules of Evidence. Therefore, his Declaration is wholly unsupported.

It should first be noted that Attorney Aragon's Declaration is in error on the response date to their motion. (Paragraph 17 of his Declaration). Defendant's Motion to revoke was filed July 30, 2019. Rule 6(a)(1)(A) F.R, Civ. P. states that. "COMPUTING TIME. The following rules apply in computing anytime period specified in these rules, in any local rule or court order, or in any statute that does not specify a method of computing time. *Period Stated in Days or a Longer Unit.* When the period is stated in days or a longer unit of time: exclude the day of the event that triggers the period..."

That means the operative date for responding to their Motion commenced on July 31, 2019. Fourteen days after that is August 14, 2016. Defendant graciously agreed to extend the deadline by two whole days provided Plaintiff did not apply to the court for additional time or the extension would be withdrawn. Defendant knew of course, from the 14th to the 16th Plaintiff would be at his own Rule 30(b)(6) deposition noticed by the Defendant and the deposition of non-party witness,

| 25 | ² Plaintiff did not file the stipulation with the court. Plaintiff inadvertently misread Local Rule 6.1 (a) | |
| 26 27 28 | that the parties could stipulate the time enlargement without a court order, provided the change didn't alter the date or deadline. Nonetheless, Defendant should be equitably estopped from raising that as an issue. Equitable estoppel "holds the [individual] to what it had promised and operates to place the person entitled to its benefit in the same position he would have been in had the representations been true."
